June is **Alzheimer's Awareness Month** and holds the day of longest sunlight, often an analogy for the long days of care partners or caregivers of loved ones living with Alzheimer's disease or related dementia

In this live webinar, gerontologist and Catholic author **Matthew Estrade** will speak about his work in aging, public health, and pastoral ministry, providing insight and encouragement for caregivers of loved one with dementia and those living with the condition. A Q&A will follow Matthew's presentation. More about Matthew and his good work may be found on **CatholicAging.com**

**The Peace in the Storm Project** is a nonprofit organization that provides spiritual support in the Catholic tradition to parishes, family caregivers, and persons with chronic illness, ongoing pain, and other health challenges. Visit us at **[www.thepeaceinthestormproject.com](http://www.thepeaceinthestormproject.com)**. Proceeds from this event will be shared between **The Peace in the Storm Project** and **CatholicAging.com**. Webinar registrants will receive a discount link for Matthew's books and those used in The Peace in the Storm Project's small, faith-fellowship groups.
